Mario Gallery is proud to announce the opening of our new gallery and printing facility in Long Island City.

We welcome all artists and galleries to participate in solo shows that will be an on-going aspect of our expanded program at our new location..

Mario Gallery is located next to the Kaufmann Studios, American Museum of the Moving Image and the future site of the Frank Sinatra School of Music. Mario Gallery is easily accessible from Manhattan by taking the N & R trains or a short ride over the 59th Street Bridge.

This 9,600 square foot facility has enabled us to expand our printing capabilities, giving us the ability to create reproductions of artists' work on canvas and other fine art print media.

*Please visit www.MarioGallery.com for opening date. **RSVP** to Mario.N@MarioGallery.com*
